RAFFERTY'S

RESTAURANT & PUB

We are a family owned and run business offering affordable family dining and a menu that caters to everyone. It became our passion to also offer a gluten free menu when, our daughter was diagnosed with Celiac Disease in the spring of 2006 as we were opening our restaurant. We feel a very strong commitment to serving customers with Gluten Intolerances and other dietary needs.

My husband & I have been coming to North Conway with our families since we were kids. It has been a dream of ours to own a business in North Conway. When this restaurant opportunity came along it seemed like the right fit for us since our previous business was also serving customers. We both enjoy interacting with people and offering a great dining experience.

We are very fortunate to have John's brother Joe Rafferty as the kitchen manager and head chef. John and I have a great staff, and we feel very privileged to have the opportunity to serve our guests. We strive to give our customers the best experience we possibly can. We want you to feel like this is a place you can come back to again and again.

~ Linda & John Rafferty
